Massimo

Maremma, sleeps 6, 121 mq + pool

In the hamlet of Marsiliana a second apartment has been converted. The house still carries the name of the workmen.

Through the entrance and a hall on the ground floor a staircase leads up to the spacious, sunny living room on the first floor.

The centre of the house is the large adjoining kitchen and dining room with fireplace, it opens up onto a small terrace which gives you enough space to have your meals outside.

A few steps away, across the courtyard, the pool is located in a charming part of the garden. True to its origins, the style of Massimo is comfortable and informal.
